**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have Sonic as my ISP and I am opposed to any effort that would throttle competition. I use Sonic's service because the cost is the best for my needs and they are a local company with excellent customer service. I have used the big providers in the past and the cost was high and the customer service was atrocious. I strongly oppose the USTelecom petition and would urge the FCC to consider the needs and wishes of the general public over the greed of large corporate interests. Thank you.
